

## **Delegates book with confidence, join us with confidence!**

As always, our priority is to deliver a safe, enjoyable and informative event. We continue to follow public health advice. Our venue partners are following best practice in terms of hygiene, ventilation and health and safety standards.

We ask that you support us by following these conditions as part of your registration process:

- Please do not attend if you test positive for COVID-19, have a temperature or any COVID-19 symptoms.
- If you have booked a physical ticket and you cannot attend yourself as you have tested positive for COVID-19 you can transfer your ticket to a colleague, convert to a digital ticket or a credit note for a future Faversham House event.
- We ask visitors to follow simple hygiene guidance concerning handwashing.
- The space will be well ventilated and mask wearing is optional.

We will work with the venue and all suppliers to create a safe environment with appropriate standards of hygiene and ventilation. Our risk assessment and the venue's risk assessment will be available for each venue and event, via a link on our website.
